RE: Exemption from Income Tax Filing

I declare under penalties of perjury, that I did not file a U.S. Individual Income Tax Return, for the year(s), _____, and that for these year(s) I did not have sufficient gross income to require the filing of such tax return under I.R.C. Section 6012 and the Treasury Regulations thereunder.

My only income and/or other means of support during the tax year(s) was as follows:

YEAR	ESTIMATED AMOUNT	SOURCE
2023	\$	
2022	\$	
2021	\$	
2020	\$	

Should this Declaration be accepted by the United States of America (Internal Revenue Service) and it later is determined that I am required to file a U.S. Individual Income Tax Return (Form 1040 or otherwise), for the year(s) stated above, then I understand and agree that any tax liability, interest, and penalties associated with those years will not be discharged under the Bankruptcy Code.

I DECLARE UNDER PENALTY OF PERJURY THAT THE FOREGOING IS TRUE AND CORRECT.
